

Oliver and Smith Industries Limited Environmental Policy

Oliver and Smith Industries Limited manufactures and markets office furniture products.

We are committed to continual improvement and prevention of pollution.

This environmental policy provides a process and guide for our staff and suppliers on how they are expected to carry out their functions and to give clear guidance of our environmental policies.

Our Oliver and Smith Industries Limited Environmental Management System is focused

Towards:

- Minimising adverse environmental impacts
- Continually improving our environmental performance, by
 - Achieving compliance, as a minimum, with all applicable legislation
 - Reducing raw material and resource use
 - Reducing energy consumption
 - Improving process efficiency
 - Reducing waste generation and disposal costs
 - Utilisation of recoverable resources

The Environmental features contained within The Oliver and Smith Industries Ltd

Environmental Management system are:

- Identification and ranking of environmental risk,
- Annual review of Environmental objectives and targets,
- Monitoring of environmental impact criteria,
- Auditing and review ,
- Environmental roles, responsibilities and training for all staff,

We will ensure that our policy is communicated and understood and we provide adequate resources for training our staff and suppliers ensuring they are aware of our objectives to continually improve our environmental performance.
